FoodLoose Limited Accountant's Report For The Year Ended 31 May 2023

We report on the financial statements of the society for the year ended 31 May 2023 31 May 2023 which comprise Profit and Loss Account, Balance Sheet, Accounting Policies and the related notes.

This report is made solely to the members as a body. Our reporting work has been undertaken so that we might state to the members those matters we are required to state to them in an independent accountant's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the society and the members as a body, for our work, for this report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF MANAGEMENT COMMITTEE AND THE INDEPENDENT ACCOUNTANT

The directors are responsible for the preparation of the accounts and they consider that an audit is not required for this year and that an independent accountant's report is required.

It is our responsibility to carry out procedures designed to enable us to report our opinion.

BASIS OF THE INDEPENDENT ACCOUNTANTS OPINION

Our work was conducted in accordance with the Statement of Standards for Reporting Accountants. Our procedures included a review of the accounting records kept by the society and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Management Committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required for an audit, and consequently we do not express an audit opinion on the view given by the accounts.

INDEPENDENT ACCOUNTANT'S OPINION

In our opinion:

- the accounts are in agreement with those accounting records kept by the society under section 75 of the Co-operative and Community Benefit Societies Act 2014.
- having regard only to, and on the basis of, the information contained in those accounting records, the accounts have been drawn up in a manner consistent with the accounting requirements of the applicable legislation, and,
- the society satisfied the conditions for exemption from an audit of the accounts for the year specified in section 84 of the Co-operative and Community Benefit Societies Act 2014 and did not at any time within that year fall within any of the categories of societies not entitled to the exemptions specified in section 84(3) of the Co-operative and Community Benefit Societies Act 2014.

FoodLoose Limited Notes to the Financial Statements For The Year Ended 31 May 2023

1. Accounting Policies

1.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

1.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

Sale of goods

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

Donations

Donations are recognised upon receipt.

1.3. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures & Fittings

25% on cost

1.4. Stocks and Work in Progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads. Work-in-progress is reflected in the accounts on a contract by contract basis by recording turnover and related costs as contract activity progresses.

1.5. Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is not currently recognised as it is not considered material.

2. Average Number of Employees

Average number of employees, including directors, during the year was as follows: 6 (2022: 7)
